Reference: April Quarterly (1/1/06 to 3/31/06)

This letter is in response to your letter dated June 6, 2006. We have filed an amended April Quarterly (1/1/06 to 3/31/06), which addresses your questions about possible over limit contributions.

Regarding the 2/28/06 contribution from Maurine Campbell a letter was sent regarding a presumptive redesignation on 3/15/06 redesignating \$100 of her contribution to the General of 2006. The presumptive redesignation was not reflected in our original report, it is reflected in the amendment.

Regarding contributions received after the date of the Special General, our committee had debt and the contributions were designated appropriately for debt through designations on the contributions or through accompanying letters from contributors.

The 3/15/06 contribution from Pfizer PAC should have been reported as a contribution for 2006 Primary not for the Special General. This is reflected in the amendment. There were some contributions on Schedule A that should have been reported for Primary 2006 not the Special General. These changes are reflected in the amendment.

Sincerely,

Kelly Lawler
